

**Foundations:
God: Are You Distant?**

Isaiah 40-43

Getting Started:

At the end of service Sunday Ben asked us to write "my God is alive and He carries me" on a 3x5 card. He suggested we place it somewhere we would see it every day for the remainder of this series. Where did you put your 3x5 card and why?

We all have experienced doubts about God's existence or distance from God at some point in our lives. Share a time in your life you had one or both of these experiences? How did you deal with them?

What is one thing you don't believe about God today that you used to when you were younger? What changed your mind (be specific...sermon, life experience, song, mentor)?

Digging Deeper:
